Facilities: Lahore | Faisalabad, Pakistan

Your Stitching Partner in Pakistan

A custom cut & sew factory with fabric sourcing from mills across Pakistan

We are a custom stitching factory operating out of Lahore and Faisalabad — the heart of Pakistan's textile industry. Our model is simple: you bring the design, we source the right fabric from mills anywhere in Pakistan and stitch it to your exact spec. Because we are not tied to one mill or one fabric type, we can produce virtually any garment in any material — fleece hoodies and tracksuits, cotton t-shirts and polos, premium linen shirting and trousers, cotton-linen blends, and denim. Whether you are a U.S. clothing brand developing a private-label line, a wholesaler sourcing volume programs, or a boutique retailer testing smaller runs, we build production around your specs, your labels, and your timeline.

Why source from us

Direct factory pricing

No middle layers. You work directly with the factory, which means better margins for your business.

Nationwide fabric sourcing

We are not locked to one mill. We source knits, wovens, linen, and denim from mills across Pakistan — matching the right fabric and price point to your product.

Quality control at every stage

Inline and final inspection, measurement audits against your spec sheet, and pre-shipment photo/video reports.

Low, flexible MOQs

From 150 pieces per style and colorway — well below typical factory minimums. We go lower still for first orders, test runs, and sampling programs.

U.S.-friendly communication

U.S. phone/WhatsApp line, responsive sampling and approval process, and export documentation handled end to end.

Hoodies & Sweatshirts

Fleece pullovers, zip-ups, oversized fits, and heavyweight streetwear blanks

Our fleece program covers everything from classic midweight pullovers to heavyweight 480+ GSM oversized streetwear hoodies. Brushed or unbrushed interiors, drop-shoulder or set-in sleeves, and full trim customization including custom drawcords, metal tipping, and woven labels. Garment-dye and acid-wash finishes available for vintage-look programs.

FABRICS & MATERIALS

100% cotton fleece, cotton/poly blends (80/20, 65/35), French terry, loopback terry, brushed fleece

WEIGHTS (GSM)

280 – 500+ GSM (midweight to ultra-heavyweight)

SIZE RANGE

XS – 5XL, plus custom size specs from your tech pack

POPULAR STYLES WE PRODUCE

Pullover hoodie, full-zip, quarter-zip, oversized/boxy fit, cropped hoodie, crewneck sweatshirt

MINIMUM ORDER

**150 pcs per
style/colorway**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

Screen printing, embroidery, puff print, appliqué, garment dye, acid/stone wash, custom drawcords & tipping, woven neck labels, custom hang tags & polybags

Pricing: contact for quote — varies by fabric, spec & quantity

Tracksuits & Activewear

Matching sets, joggers, gym wear, and performance knits

Complete tracksuit and activewear programs — matched sets in fleece, French terry, and performance polyester interlock. Flatlock stitching, zip pockets, ribbed or elasticated cuffs, and contrast paneling built to your design. Co-ord sets can be produced in men's, women's, and unisex blocks.

FABRICS & MATERIALS

Poly interlock, poly/spandex, cotton fleece, French terry, velour, micro-polyester shell

WEIGHTS (GSM)

220 – 400 GSM depending on style and season

SIZE RANGE

XS – 4XL, men's / women's / unisex blocks

POPULAR STYLES WE PRODUCE

Full tracksuits, joggers, track jackets, gym shorts, compression tops, quarter-zip pullovers

MINIMUM ORDER

**150 sets per
style/colorway**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

Sublimation printing, heat transfer, embroidery, contrast panels & piping, custom zippers & pullers, reflective details, custom waistband branding

Pricing: contact for quote — varies by fabric, spec & quantity

T-Shirts & Polos

Ring-spun cotton tees, heavyweight blanks, and piqué polos

High-volume knit essentials with consistent fit and shade control. From lightweight promotional tees to 240+ GSM heavyweight boxy streetwear blanks and combed-cotton piqué polos. Bio-washed and enzyme-washed finishes available for a premium hand feel, with tear-away or woven labelling.

FABRICS & MATERIALS

100% combed ring-spun cotton, carded cotton, cotton/poly, tri-blends, piqué, slub jersey

WEIGHTS (GSM)

140 – 260 GSM (promo weight to heavyweight)

SIZE RANGE

XS – 5XL, plus youth sizes on request

POPULAR STYLES WE PRODUCE

Crewneck tee, oversized/boxy tee, V-neck, long-sleeve tee, ringer tee, classic & knit-collar polos

MINIMUM ORDER

**200 pcs per
style/colorway**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

Screen printing (up to 12 colors), DTG, embroidery, tear-away or woven labels, custom neck tape, garment dye, enzyme/bio wash, custom packaging

Pricing: contact for quote — varies by fabric, spec & quantity

Linen Shirts

Premium woven linen shirting for resort, casual, and premium lines

Breathable, garment-washed linen shirts with clean woven construction — a strong category for U.S. spring/summer and resort programs. Options include band collars, camp collars, henley plackets, coconut or corozo buttons, and relaxed or tailored blocks with curved or straight hems.

FABRICS & MATERIALS

100% linen (various counts), European flax options, yarn-dyed stripes & checks, solids

WEIGHTS (GSM)

Shirting weights approx. 140 – 200 GSM

SIZE RANGE

S – 3XL, plus custom graded specs

POPULAR STYLES WE PRODUCE

Camp collar, band/grandad collar, henley placket, classic button-down, short-sleeve resort shirts, overshirts

MINIMUM ORDER

**150 pcs per
style/colorway**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

Garment wash / soft wash, custom buttons (coconut, corozo, metal), mother-of-pearl upgrades, custom collar & cuff styles, woven labels, premium folding & packaging

Pricing: contact for quote — varies by fabric, spec & quantity

Linen Pants & Shorts

Drawstring trousers, wide-leg cuts, tailored bottoms, and linen shorts

Relaxed and tailored linen bottoms with garment-washed softness. Elastic or drawstring waists, single-pleat or flat-front construction, and durable bar-tacked pocketing built for retail programs. Full colour ranges available — naturals, brights, and yarn-dyed melanges.

FABRICS & MATERIALS

100% linen, linen/viscose, linen/cotton bottoms-weight fabrics

WEIGHTS (GSM)

180 – 260 GSM bottom weights

SIZE RANGE

28 – 44 waist (or S – 3XL alpha sizing)

POPULAR STYLES WE PRODUCE

Wide-leg trousers, drawstring pants, pleated trousers, linen shorts, elastic-back chinos

MINIMUM ORDER

**150 pcs per
style/colorway**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

Garment wash, custom waistband construction, drawcord options, custom trims & rivets, woven labels & branded buttons

Pricing: contact for quote — varies by fabric, spec & quantity

Cotton-Linen Blends

The comfort of cotton with the texture and drape of linen

Cotton-linen blended wovens and knits offer linen's breathability and texture with cotton's softness, reduced wrinkling, and a sharper price point — ideal for volume summer programs and elevated basics. Works particularly well for co-ord sets: matching shirt and trouser or shirt and short.

FABRICS & MATERIALS

55/45 linen-cotton, 70/30 cotton-linen, blended jerseys & wovens, yarn-dyed blends

WEIGHTS (GSM)

150 – 240 GSM across shirting and bottoms

SIZE RANGE

Full size runs per your spec

POPULAR STYLES WE PRODUCE

Blend shirts, resort co-ord sets (shirt + pant or short), blended tees, lightweight pants & trousers

MINIMUM ORDER

**150 pcs per
style/colorway**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

All wash finishes, custom weaves & yarn-dyed patterns on order, full trim & label customization

Pricing: contact for quote — varies by fabric, spec & quantity

Denim

Jeans, jackets, shorts, and washed denim programs

Full denim production with in-house and partner laundry capabilities — from rigid raw denim to heavily distressed, stone-washed, and acid-washed programs. Faisalabad's denim supply chain gives us access to a wide mill selection at competitive pricing across weights and stretch levels.

FABRICS & MATERIALS

12 – 14.5 oz rigid & stretch denim (98/2 cotton-elastane), selvedge options via partner mills

WEIGHTS (GSM)

Denim weights 10 – 14.5 oz

SIZE RANGE

26 – 44 waist, standard & custom inseams

POPULAR STYLES WE PRODUCE

5-pocket jeans (slim/straight/relaxed/baggy), denim jackets, denim shorts, carpenter & cargo denim

MINIMUM ORDER

**250 pcs per
style/wash**

Lower on first orders — just ask

CUSTOMIZATION OPTIONS

Stone wash, acid wash, enzyme wash, distressing/ripping, whiskering, tinting, custom leather patches, embroidered back pockets, custom hardware & rivets

Pricing: contact for quote — varies by fabric, spec & quantity

Services & Customization

From tech pack to packed cartons — full-package production with QC at every stage

Custom Stitching (CMT) — Our Core

Pattern making, cutting, stitching, finishing, and packing to your exact spec. Send your own fabric or have us source it — this is what our factory is built for.

Fabric Sourcing Across Pakistan

We work with mills nationwide for knits, wovens, linen, and denim. Tell us the fabric, GSM, and target price — we find it, get you swatches, and secure the yardage.

Private Label / Full Package (FOB)

Your brand, end to end: fabric, trims, woven labels, hang tags, branded polybags, production, QC, and export-ready cartons with complete documentation.

Sampling & Development

Proto samples, fit samples, and pre-production samples with photo approval at each stage. Tech pack development assistance available.

Printing & Embellishment

Screen printing, sublimation, DTG, embroidery, puff print, heat transfers, and specialty washes.

Packaging & Compliance

Custom polybags, tissue, boxes, UPC/care labeling to U.S. FTC requirements, and carton markings to your routing guide.

How ordering works

- 1 Share your design / tech pack or pick from our styles
- 2 Quote & MOQ confirmation
- 3 Sampling & approval
- 4 Bulk production with QC
- 5 Pre-shipment inspection & photos
- 6 Ship to U.S. (FOB / CIF / DDP options)

Quality control at every stage

Every order runs through a structured quality process: incoming fabric inspection (shade, GSM, defects), inline stitching checks, measurement audits against your graded spec sheet, and AQL-based final inspection before packing.

Pre-shipment photo and video reports are shared for your approval, and third-party inspection (SGS, Intertek, QIMA) is welcome at buyer's request.

Let's Build Your Line Together

Send us your tech pack, a reference photo, or just an idea — we'll take it from there.
